We've all been there. It's a hot summer day at Silver Dollar City and your whole family just wants to take a break and find a way to cool off. You all come to the same conclusion...let's ride Lost River of the Ozarks!

You arrive only to find that everyone else had the same idea, as the line is backed up all the way to the queue entrance and a clever little sign lets you know where you're going to be for the next hour. Ugh, standing in line! Chance are, you've also got at least one impatient child with you that needs to be entertained. Exactly how many games of "I Spy" can you play?

I've got a better plan for you! Skip the lines altogether with the All-NEW Trailblazer Pass! This pass allows you to go straight to the front of the line at Silver Dollar City's most popular rides and attractions - PowderKeg, WildFire, The GIANT Swing, Thunderation, Fire-In-The-Hole, Lost River of the Ozarks or American Plunge. For only \$20 you can ride your favorite ride up to 6 times, or use the pass to ride any combination of the rides listed above for a total of 6 rides.

To purchase a Trailblazer Pass, just stop by the Show Lover's Pass Booth (across from Eva & Delilah's Bakery) on your way into the park. Then follow the signs at each of the available rides directing you to the attendant.

Of course, you can still enjoy all of Silver Dollar City's rides for free. But if you're like me, you'll snap this up. I just love this idea! Now I can focus on spending quality time with my family riding our favorite rides rather than waiting in lines. It's a small price to pay to ensure we have an enjoyable visit to the park and get to experience everything that makes our visits so much fun!

Now, can I just request a skip to the front of the funnel cake line pass? Seriously!
