We know they have 30 rides and attractions and the wonderful evening spectacular "Ignite the Night." But, for Fall they've added some really special memory makers for families to enjoy the best that Autumn has to offer! Here's just a sneak peak of what you'll want to make plans to do when you're there:

-

Take a John Deere Hayride! From 3:00 p.m. until dusk you can take a singalong hayride through the woods.

-

Check out the Giant Hay Maze! It's an oversized challenge for the whole family...plus, they have a mini maze for the little ones to enjoy.

-

Take a trip down Scarecrow Alley...full of surprises.

-

Visit the KidZone featuring a painting party, apple bobbing and pie eating.

-

Enjoy delicious Fall foods and all the colors of the season!

So, you better make plans to take the whole family! Celebration City's Fall Family Fun Days are open Fridays & Saturdays from 3:00 - 10:00 p.m. , September 5th through October 25th. Closed Sept. 27 & October 4th for private parties.
