Q: Heather asks, "I've tried to leave a comment twice and it didn't work? How do I do it? I wrote out a whole comment, did the security code, and checked the box that I agreed to the TOS! So I'm not sure what's going on."

A: Heather, I'm sorry you had a problem with posting a comment. The blog administrators at Silver Dollar City have to take a few precautions to make sure nothing inappropriate ends up being posted on the MomsBlog; hence, the reasoning for the security code and agreement to the terms of usage. Please allow 24 hours for comments to post in order for administrators to review for inappropriate content. Sorry if these steps are cumbersome, but we want to ensure that our MomsBlog remains consistent with the values you have come to expect from Silver Dollar City.
